Suffered Tortures With Terrible, Dry Eruptions Since Reaching Manhood - Doctors All Failed -Became too Disfigured to Leave House — Now Well and Says:

CUTICURA REMEDIES WORTH WEIGHT IN GOLD

"I cannot help expressing to you my most sincere thanks for the benefit which I have derived from the use of Cuticura Remecies. They represent a perfect miracle and each set is worth its weight in gold to suffering humanity. Ever since the time I grew into mannood I have been suffering from a dry eruption which at times appeared very extensively, and at other times, but to a limited degree, on my body. I consulted a number of medical men without result, and last January I was affected with a terrible eruption on my hands, scalp, and face, which was so bad that I could not even leave the house, so I finally resorted to Cuticura.

"In the morning after breakfast I took a tablespoonful of Cuticura Resolvent, the same after dinner and supper. Three times a day I washed myself with Cuticura Soap, and three times a week I took a hot bath zith Cuticura Soap and applied Cuticura Ointment to the parts that were pain-

Cuticura Soap and applied Cuticura Ointment to the parts that were painful. So far my Cuticura Remedies represent an outlay of only a few dollars and I am completely restored to health, while formerly I had spent dollars upon dollars on doctors, remedies, and ointments without getting cured. Needless to say, I am quite ready to spend my last cent for Cuticura Remedies. Henry E. Kamping, 633 Eagle Ave., New York, N. Y., Feb. 16 and Mar. 15. 1906."

Several years ago Dr. and Mrs. Patterson traveled extensively in the Holy Land. When they returned they were enthusiastic advocates of a new cult, which demanded the burial method described. The Pattersons are wealthy, and were never regarded as fanatical, but they have been unable to draw any adherents to their strange faith. The immense stone for the double coffin was purchased six months ago.

Gowns and hats were torn, and one of the young women lost her low shoes. Mrs Malcom Metzger and Miss Clara Gilbert received serious cuts and bruises. The conductor's coat was burned and he lost the nickels and dimes he had collected as fare. The motorman received a bad shock, which knocked him over senseless. The flames were extinguished before much damage resulted to the car.
